OUR SERVICES

03

■ **3D SIGNAGE:** Expertly hand-crafted, visually striking three-dimensional signs that elevate your brand's visibility. Precision-cut letters, logos, and shapes add depth and dimension, making your branding unforgettable. Durable, eye-catching, and bespoke - our 3D signage solutions leave a lasting impression.

■ **LIGHT BOX SIGNAGE:** Illuminating your brand's presence, our light box signs combine vibrant graphics with bright, energy-efficient LED lighting. Durable, weather-resistant, and customizable, our light boxes enhance visibility, grab attention, and elevate your brand's image. Perfect for indoor and outdoor applications, day and night.

■ VEHICLE BRANDING: Transform your fleet into mobile billboards with our high-quality vehicle branding solutions. Durable, weather-resistant vinyl wraps and decals showcase your brand's identity, increasing visibility and reach. Our expert design and installation ensure a professional finish, making your vehicles stand out on the road.

■ LAZER CUTTING SIGNAGE: Precise, intricate, and visually stunning, our laser-cut signage solutions elevate your brand's image. With pinpoint accuracy, we cut complex designs and shapes from various materials, creating unique signs that stand out. Ideal for logos, lettering, and custom designs, our laser-cut signs add a touch of sophistication and elegance.

■ CNC ROUTER SIGNAGE: Precision meets creativity with our CNC router signage solutions. Our state-of-the-art machinery expertly cuts and shapes various materials, including wood, metal, and plastic, to create custom signs with intricate details and complex designs. Durable, accurate, and visually striking, our CNC router signs bring your brand's vision to life.

■ SAFETY & ROAD SIGNS SIGNAGE: Safety first with our compliant Safety and road signage solutions. Clear, visible, and durable, our signs ensure a secure environment for your workforce and road users. From hazard warnings to directional signs, we provide expertly designed and manufactured signage that meets industry standards, because safety matters. Trust Sign Art for all your SABS approved safety and road signs requirements.

■ REMOVAL, APPLICATION & INSTALLATION: Trust us to handle it all - from removal of old signs to application and installation of new ones. Our expert team ensures a seamless process, minimizing downtime and maximizing impact. With precision and care, we apply and install signs of all types and sizes, guaranteeing a professional finish that elevates your brand.
